Mahana Boat Tour & Picnic on a Motu - Full Day

2008/2009

You will leave the hotel dock on a motorised canoe, comfortable & shaded from the sun, for a day filled with unforgettable moments while discovering Huahine Iti, the smallest and most forgotten part of Huahine.

You will feed the enormous blue eyed eels, visit the overwater Huahine black pearl farm and let yourself go in the coral garden while snorkelling with the winking clown fishes.

Upon your arrival on the motu (islet), you will be welcomed by Norma and her husband who will prepare succulent, mouth watering freshly caught lagoon fishes and a host of fresh tropical fruits.

As all good things must come to an end, so does your tour, with a visit to the rays who swim

majestically with unashamed grace across the limpid blue lagoon.

An authentic day where there is a special bond with the Polynesians.

- Please note that this excursion is available from the hotel Relais Mahana. Please revert to contract rates for clients staying at other properties.
